

## **Playtime for Twos at P.N.S.**

Every child develops and grows at her/his own pace. The primary focus of our two-year old program is to help children feel comfortable interacting with other children in a larger group and being with adults other than mom or dad. Playtime for Twos provides a warm, loving, secure environment for each child to:

- ◆ Socialize
- ◆ Explore toys, sensory centers and dramatic play
- ◆ Enjoy books, songs and music
- ◆ Create artwork using many types of materials

Our morning includes time for sand and play-dough, center time incorporating the above focus areas, a trip to the playground or gym, snack, and time for music and finger plays, all at your child's own pace. A new theme each week provides a fun framework for these activities. Playtime for Twos is designed with your toddler in mind!

Parents are actively involved in the classroom as "Parent Helpers" three or four times throughout the year.

You are welcome to observe one of our two-year old classes!

### **Class Offerings**

There is a class each morning from 9:30-11:35 a.m. Children attend one morning a week. Tuition is \$55 per month.

Plymouth Nursery School is an equal opportunity provider.
