

SUMMER SCHEDULE FOR CHILDREN

At the 9:00 worship service during the summer, beginning, May 25th, children have the opportunity to attend Summer Enrichment. Parents volunteer one or two Sundays to make this possible, and they will be using our regular curriculum *Seasons of the Spirit*. Children will attend the first 15 minutes of worship and will then be excused to their Enrichment classes.

3 yr olds and Pre K	Pre K Room
Kindergarten/1 st and 2 nd Grades	Room 301
3 rd , 4 th , 5 th , 6 th Grades	Room 304

Childcare will be available at the 9:00 Worship Service for children Nursery through 2 year olds in the Nursery and Toddler Room and at the 11:00 Worship Service for children Nursery through age 5 in the Toddler Room.

Summer is also a perfect time for children to share in the beauty, wonder and awe of the worship service. Our children rarely get to experience a whole worship service, although they learn about worship in church school. Even though they may not understand everything that goes on, they can share in the feelings of worship. Most children can sing the hymns, say the Lord's Prayer, bow their heads and listen to spoken prayer, place their offering in the trays, appreciate the music and observe the beauty of the stained glass windows, the flowers and others participating in worship together.

No matter how you have your children participate this summer, remember to talk to them about their experience. Let them share their thoughts and feelings about what they did and then you can share what being in worship meant to you. What a wonderful opportunity to share in something meaningful with your child.
