

Plymouth Congregational Church Foundation
GRANT APPLICATION GUIDE

Grant applications are accepted and grants are awarded by the board of directors of the Plymouth Church Foundation twice annually. Grants typically are funded for one year. Multi-year projects must be identified as such in the initial application. Renewed funding is not automatic, although the need for continued funding will be considered during the initial review process.

Applications must be signed by a Plymouth Church board or committee chairperson. If the grant is funded, the board or chairperson agrees to comply with the Foundation policies and requirements, which includes providing a final report evaluating the outcomes/results of the grant. That final report is due to the Foundation Grant Committee no later than 90 days after the grant funds have been spent. Any unused funds must be returned to the Foundation.

Applications are due to the Grant Committee April 1st and October 1st.
Award decisions are made at board meetings in May and November.
Grants are awarded in June and December.
