

Re-Imagining Creation Justice

Eight Essentials for Re-Imagining

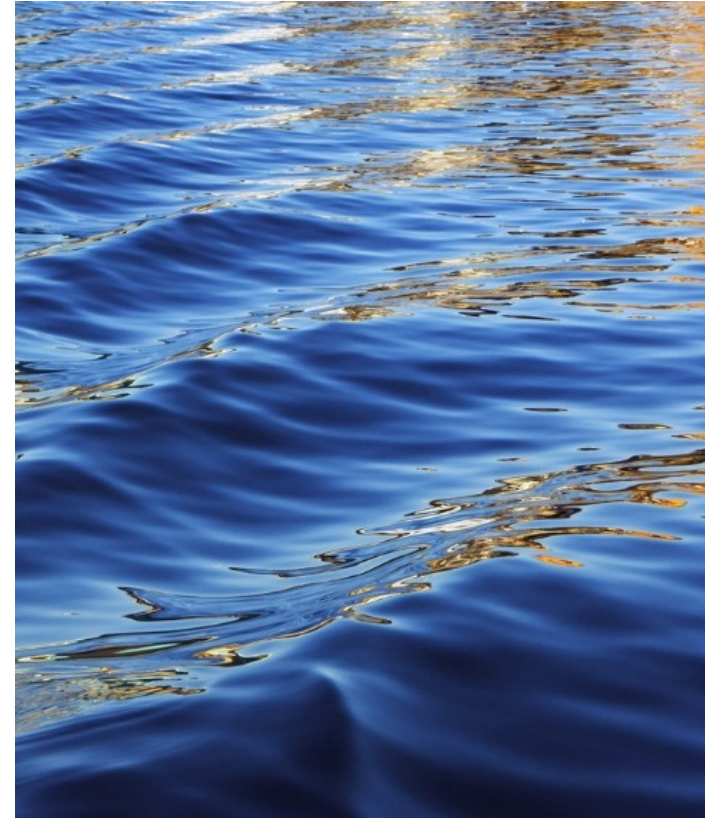

Essential #1

Live fully our first calling to care for God's creation.

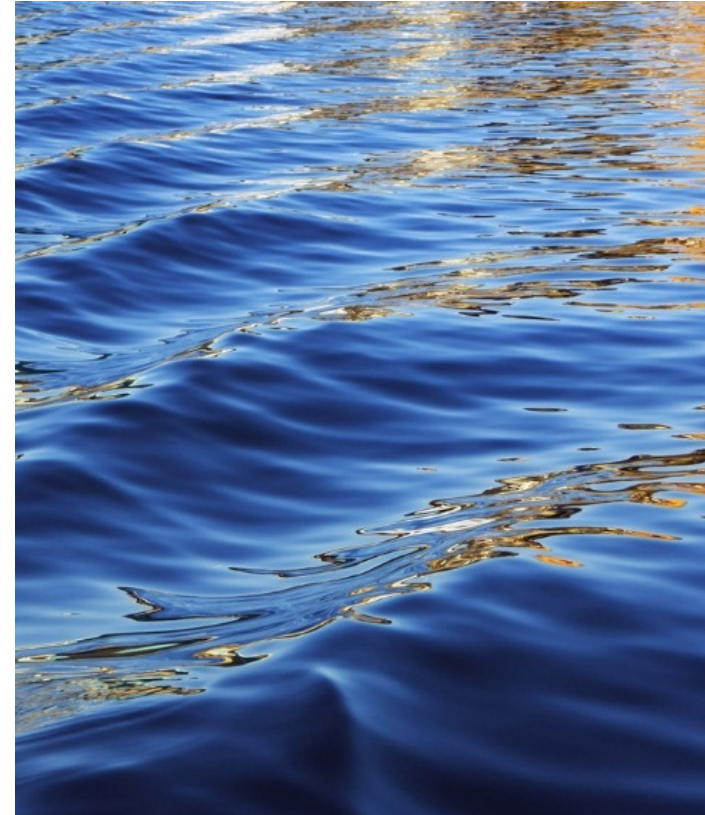

Essential #2
See economic, racial, and
immigrant justice as
inextricable to creation
justice.

Essential #3

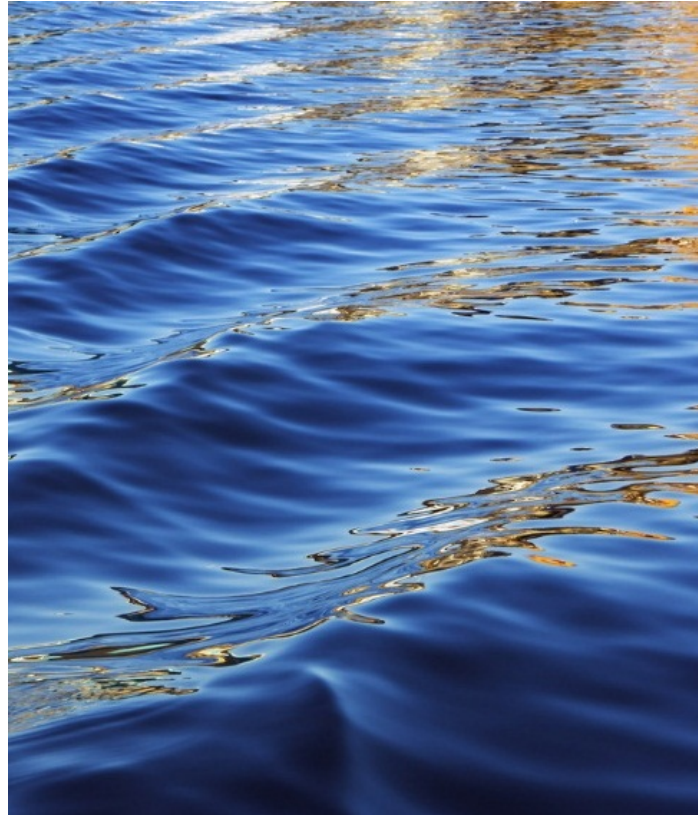

Counter harmful
interpretations of scripture
and lift up liberating ones.

Essential #4

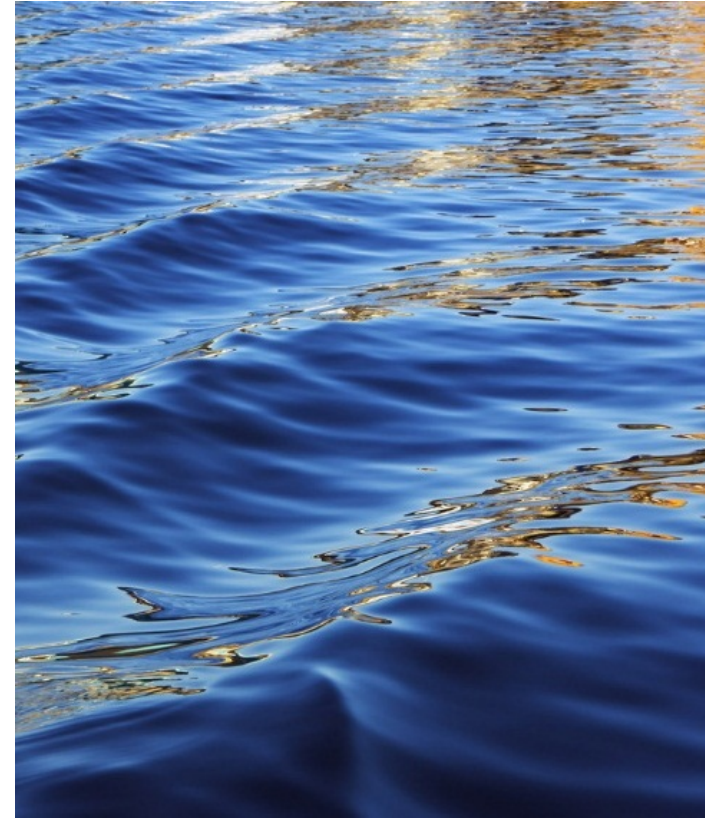

Realize the gifts churches
have to offer the broader
climate movement.

Essential #5

Seek generational justice and recognize youth as today's prophets.

Essential #6

Discern concrete actions to
take as a community.

Essential #7

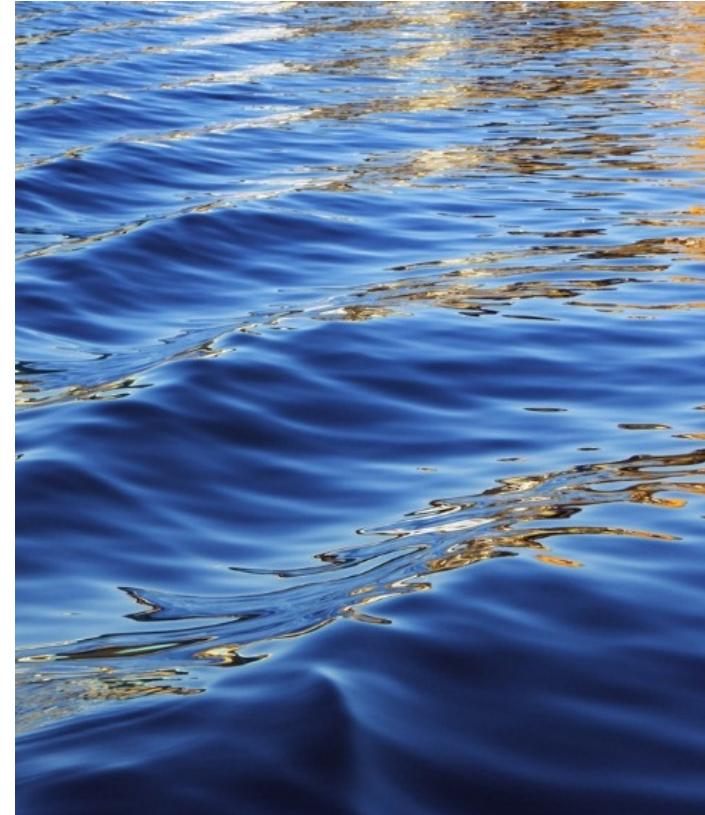

Draw upon the hope
found in our history.

Essential #8

Sustain one's community
with a rich theological
heritage born of struggle.
